**Hurry, the closing date for registration this year is March 26, 2021.**

Thank you for applying to the Willoughby Western Lake County Chamber of Commerce annual ArtsFest! This is a "Juried" event, meaning that a panel of Jurors will review your application and your artistic process to determine acceptance. We do this because we desire the ArtsFest to be a high quality event, and differentiate it from the typical craft or flea-market style shows. **Therefore, your "process" is important because we focus on selecting artists that make and create their artwork mostly themselves rather than buy, assemble, or resell the work of someone else.** You will be juried on the single category that you have indicated on your application and will be based on your process, originality, creativity and quality of the artwork. Our committee of Jurors vary from year to year, therefore your acceptance may also vary as well, regardless if you were selected for prior year events. All decisions made by the Jury are final and there are no exceptions.

The ArtsFest takes place on the main streets in downtown Willoughby, Ohio. Consequently, we are very restricted to space, City & utility ordinances, Police & Fire regulations, hours of operation, traffic flows, parking, etc. Due to all of this, we have created the following "Terms & Conditions" which are a set of rules we require our selected artists to follow so that this event can operate as smoothly and efficiently as possible, and as a courtesy to all of the ArtsFest Volunteers, City/Police/Fire personnel, and Artists that make this event possible.

**VIOLATION OF ANY OF THESE TERMS & CONDITIONS IS GROUNDS FOR NON-ACCEPTANCE TO NEXT YEAR'S EVENT. A SECOND VIOLATION WILL AUTOMATICALLY ELIMINATE AN ARTIST FROM ALL FUTURE EVENTS.**

Thank you for your cooperation regarding these matters.

**IT IS IMPORTANT THAT YOU BRING THIS PACKET WITH YOU THE DAY OF THE EVENT.**

## **Artist Terms and Conditions**

- Artists will be charged a \$50 fee for any NSF “bounced” check, and be required to submit a cashier’s check or money order to cover the Jury and/or booth fees affected. NSF fees, not paid within one week of notification, will result in rejection from the event.
- Booth space is limited to a 10’ x 10’ area. Artists with large displays can purchase multiple adjacent booths to display their artwork, etc. **Tents must be white.** Artist may NOT go beyond the designated booth space.
- Use of any sidewalk on Erie Street for storage of artist’s supplies, chairs, etc. is forbidden. Sidewalks are the property of the Willoughby Merchants.
- Once an Artist is accepted, booth fees are non-refundable (No Exceptions).
- Artists will be notified upon conclusion of the meeting of the jury the second week of June. An email with the information identifying your booth number, setup time, specific instructions for street entry and parking, along with other pertinent information will follow 2-3 weeks prior to the day of show.
- Traffic flow and parking is an issue because there is a local church festival and a Willoughby Farmers Market going on at the same time as the ArtsFest. We all share the same streets, therefore it is important that each Artist follow our entry and traffic flow instructions, and only park in the designated parking areas outlined in your packet.
- All of our ArtsFest Volunteers have scheduled duties to perform at specific times. Do not arrive earlier than 7 AM. Artists will not be allowed access to entry streets or booth areas until the Volunteers have completed their duties. Artists that arrive early will interfere with Volunteer duties and cause traffic problems for everyone. These Artists will be sent away and asked to come back later.
- Artists, please be sure to follow our packet directions and only enter at your designated street. Signs will be at each entry street displaying which booth numbers are allowed to enter there. Volunteers will also be at each entry street to help direct Artists to their booth in an organized way. Please listen to the instructions of our Volunteers. Artist trying to enter the wrong street will be re-directed. Those artists that have passed their designated entry street will be asked to go around the block and re-enter on the proper street. So please review your instructions ahead of time and be prepared the day of the event.
- Artists may not move or pass through any Police street barrier without the approval and guidance of an ArtsFest Volunteer. This is to ensure that all previously scheduled Volunteer activities have been completed and that Artists are entering at the proper street at the proper time.
- Additional Volunteers will direct Artists to their exact booth location. Booth setup needs to be done in a timely manner and as quickly as possible as a courtesy to the other Artists. Cars/vans/trucks/trailers should be unloaded and moved to the designated parking areas before tents are assembled. We request that setup be performed this way because of time constraints, and to minimize traffic bottlenecks. **Those Artists that require “extensive” unloading time should mark their applications in the comment section stating the reason for such and we will assign you a booth location that would better accommodate you and minimize traffic flow bottlenecks.** Plan on bringing assistants to help with the unloading and setup operations if possible.
- **There is no guarantee that an Artist will get the same booth/spot that they had in a previous year, but we will do our best to provide this when requested. Booths are limited and assigned by the ArtsFest committee on a first come, first served basis.**
- Artists will NOT be allowed to switch booth locations the day of the event, even if there are Artist no-shows or open spaces.
- The Artist can only sell artwork within the same category that was entered on their application form. No other type of artwork, item, or product can be sold along with them.
- There are no guarantees on the amount of sales any Artist will make.
- Artist agrees not to cause any problems with fellow Artists or ArtsFest Volunteers. Artists should notify an ArtsFest Volunteer about any issue with another Artist, and the ArtsFest Committee will investigate and take appropriate action.
- Booth sitters or unloading/setup assistance will not be provided by the ArtsFest, so plan on bringing assistants.
- Exhibits must remain open and attended by the Artist for the duration of the show, which is until 6:00pm.
- As a service to you, your contact information may be given to prospective customers who visited the show and wish to make a purchase afterwards.
