Dear Food Vendor:

Thank you for your participation in the Willoughby ArtsFest to be held on Saturday, July 18th from 10:00 am until 5:00 pm. Please plan on arriving to set up between 8:00 and 9:30 am and be ready to serve your product by 10:00 am. Booth may be closed but not torn down or removed prior to 5:00 pm if you run out of product.

In order to keep the ArtsFest running as smoothly as possible, you must be in compliance with the City of Willoughby rules and regulations. Failure to comply may prevent you from being considered as a vendor for future shows. The ArtsFest committee reserves the right to close your operation the day of the event if the following rules are not adhered to:

- Your temporary food permit must be submitted 10 days prior to the ArtsFest to Cady Stromp, at the Lake County General Health Department, cstromp@lcghd.org.
- Vendors are responsible for providing all of your own extension cords, and protective cord covers.
- Vendors are responsible for your own waste product disposal (e.g. cardboard boxes, empty bottles or containers, waste water, leftover oil from deep frying, etc.) Please take it with you – **DUMPING LIQUIDS OF ANY KIND INTO SEWERS IS PROHIBITED.**
- Vendors must supply any water needed for operation. If you are using water hoses, be sure that only food vendor grade water hoses are used. **No water sources are available for your use.**

For those who reserved electricity

- Electrical usage: No "3 phase" supply, extension cords are to be a minimum of 12 gauge, they must be #3 prongs, and no connections may be on the ground—they must be elevated. You are responsible for bringing electrical cord covers to protect attendees from tripping.

ArtsFest volunteers will be at all entry points to help direct you to your assigned location.

Ice will be available to purchase at:

Clark Avenue Convenient Store - 4074 Clark Ave., Willoughby • 440-946-5527
